  - II. Any incomplete registration certification or unpaid charges will result in a hold of the mare's name on the appropriate stallion breeding report.
  - III. Semen will not be shipped to any mare unless a current credit card number and expiration date is on file in HPPH, Inc. office or shipping prepaid with check or money order.

Breeding Arrangements:

1. Please check with the farm to find out the shipping schedule. Normal collection days are Mon/Wed/Fri. It is the mare owner's and his/her veterinarian's responsibility to confirm our breeding/shipping days
2. To guarantee shipping, mare owner, or agent, must give at least a 24hour notice of possible semen shipment required to HPPH, Inc. and confirm shipment prior to actual shipment by 8am central time day of collection.
3. Every effort will be made to accommodate your mare's breeding timeframe; however, it is the mare owner's responsibility to keep in touch with HPPH, Inc. so that your veterinarian and ours can get your mare in foal on a timely basis. Failure to adhere to these arrangements may result in missed heats and delayed shipments, at the mare owner's expense. A veterinarian knowledgeable in successful insemination techniques must oversee off site inseminations, in order to maximize the potential of a timely pregnancy.
4. If a mare dies or is deemed unfit to breed during the breeding season, a substitute mare, approved by the stallion owner, may be bred without any additional breeding fee for that same season. No refunds given on any fees associated with this contract.
5. The mare owner agrees to have the mare checked by ultrasound no later than 18 days after insemination. If ultrasound is unavailable, mare owner agrees to have the mare checked for pregnancy by licensed veterinarian within 30 days of insemination. Mare owner agrees to provide HPPH, Inc. with the results of the pregnancy exam no later than 30 days after insemination and last breeding date.

In such a case, return privileges will be available for one additional season only following original contract season. Rebreeds must pay the rebreed chute fee of \$350 and any shipping charges applicable.  
**If the mare owner fails to rebreed the mare the following year after original contract, then any and all fees become forfeited, the right to rebreed is cancelled and the stallion owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties.**
