This certifies _____, here referred to as Mare Owner/Agent, has engaged one service to the stallion **Rise Above**, APHA #1,059,149 for the mare _____ Reg # _____ for the 2021 breeding season beginning February 1 ending July 2. The mare owner agrees to pay a breeding fee of **\$1000**, which includes a **\$500 non-refundable** booking fee, any deviation from these terms must be specified in writing and signed by Charlie Cole or Jason Martin. All payments must be made payable to High Point Performance Horses (HPPH, Inc.) **Regardless of whether the breeding is through a service auction, donated or reduced breeding agreement, a \$500 non-refundable booking fee is still applicable for all contracts.**

PLEASE NOTE: Cooled semen is on a first come/first serve basis so call early to be put on the list. Late calls cannot be guaranteed a shipment.

PRE-BREEDING ARRANGEMENTS: The mare owner must provide the following to HPPH, Inc. when making a booking:

1. Copy of both sides of registration certificate, if breeding a thoroughbred mare, an AQHA assigned "T" number is mandatory for registration.
2. Completed Information Sheet
3. Signed breeding contract
4. Proof of current veterinary reproductive exam and normal uterine cytology and / or uterine culture before any semen shipped.
5. All Applicable Fees:
 - I. The booking fee and stud fee must be paid in full before any cooled semen will be shipped.
 - II. Any incomplete registration certification or unpaid charges will result in a hold of the mare's name on the appropriate stallion breeding report.
 - III. Semen will not be shipped to any mare unless a current credit card number and expiration date is on file in HPPH, Inc. office or shipping prepaid with check or money order.

Breeding Arrangements:

1. Stallions are collected Mon-Wed-Fri. It is the mare owner's and his/her veterinarian's responsibility to confirm our breeding/shipping days.
2. To guarantee shipping, mare owner, or agent, must give at least a 24hour notice of possible semen shipment required to HPPH, Inc. and confirm shipment prior to actual shipment.
3. Every effort will be made to accommodate your mare's breeding timeframe; however, it is the mare owner's responsibility to keep in touch with HPPH, Inc. so that your veterinarian and ours can get your mare in foal on a timely basis. Failure to adhere to these arrangements may result in missed heats and delayed shipments, at the mare owner's expense. A veterinarian knowledgeable in successful insemination techniques must oversee off site inseminations, in order to maximize the potential of a timely pregnancy.
4. If a mare dies or is deemed unfit to breed during the breeding season, a substitute mare, approved by the stallion owner, may be bred without any additional breeding fee during that season.
5. The mare owner agrees to have the mare checked by ultrasound no later than 18 days after insemination. If ultrasound is unavailable, mare owner agrees to have the mare checked for pregnancy by licensed veterinarian within 30 days of insemination. Mare owner agrees to provide HPPH, Inc. with the results of the pregnancy exam no later than 30 days after insemination and last breeding date.
6. **Live foal guarantee:** A live foal is defined as one that will stand and nurse. If foal is born dead, mare owner agrees to furnish the stallion owner within 7 days a veterinarian's certificate describing the occurrence. In such a case return privileges will be available for one year only. Rebreds must pay the rebreed chute fee and any shipping charges applicable. If the mare aborts or fails to conceive, she may return during the current breeding season. If it becomes too late to rebreed a mare during the current season, she may be bred the year following original contract ONLY, provided a rebreed chute fee of \$350 is paid and all relevant shipping charges. **If the mare owner fails to rebreed the mare in the timeframe offered, then any and all fees become forfeited, the right to rebreed is cancelled and the stallion owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties.**
7. We do offer a Regular Registry guarantee.
