Cooled Semen Contract

Stallion Owner: Highpoint Performance Performance Horses
Stallion Breeding Manager: Christi Christensen, Highpoint Performance Horses 903-816-1428
Fax: 940-365-1172 Email: Christi.highpointperformance@gmail.com
11015 Cole Road, Pilot Point, TX 76258

I hereby agree to breed _____ to the stallion "SLYE BY DESIGN",
AQHA#5697090 (mare name & reg#)
for the 2022 breeding season beginning Feb 2nd and ending July 1, 2022 for cooled semen. The owner's name as listed on papers is
_____.

It is important that your vet has a copy of your contract to know what name the contract has been submitted in and order semen in that same name.

Mare owner agrees to pay the fee of **\$1250** (\$750 stud fee plus \$500 non refundable booking/chute fee). All payments must be made payable to Highpoint Performance Horses(HPPH). Whether this is a donated breeding or discounted breeding, the \$500 booking/chute fee is due on all contracts payable to HPPH.

****PLEASE NOTE: If stallion is not available for cooled semen when mare is ready to be bred, frozen semen will be available. Cooled semen is on a first come/first serve basis so call early to be put on the list. Any late callers will receive frozen semen if not enough cooled for that shipping day. Frozen semen will be released one dose per cycle (8 straws) (Initial Here) _____, up to 2 doses per breeding contract without additional semen fees.**

PRE-BREEDING ARRANGEMENTS: The mare owner must provide the following when booking a contract:

- Copy of both sides of registration certificate, if breeding a thoroughbred mare, an AQHA "T" number is mandatory for registration.
- Completed information sheet
- Signed breeding contract
- Proof of current veterinary reproductive exam and normal uterine cytology and/or uterine culture.
- All applicable fees:
 - I. The stud fee and shipping fee must be paid in full before any semen will be shipped
 - II. Any incomplete registration certificate or unpaid charges will result in a hold of the mare's name on the appropriate stallion breeding report.
 - III. Semen will not be shipped to any mare unless a current credit card number/expiration/cvv code are provided on this contract or shipping is **prepaid** with check or money order.

SHIPPING / ORDERING:

- Please check with the breeding farm to find out the shipping schedule for the stallion. Normal collection days are Mon, Wed, Fri. It is the mare owner's responsibility to confirm our breeding/shipping days.
- Mare owner or agent must give at least 24 hour notice of possible semen shipment to HPPH and confirm shipment by 8am central time day of collection. No guarantee will be made that cooled semen will be available on a given day. It is first call, first serve. Frozen semen is available if cooled semen is not. **TO ORDER SEMEN- call or text 903-816-1428**
- Every effort will be made to accommodate your mare's breeding timeframe; however, it is the mare owner's responsibility to keep in touch with HPPH so that your veterinarian and ours can get your mare in foal on a timely basis. Failure to adhere to these arrangements may result in missed heats and delayed shipments at the mare owner's expense. A veterinarian knowledgeable in successful insemination techniques must oversee off site inseminations in order to maximize the potential of a timely pregnancy.
- Semen that is picked up from HPPH by mare owner or agent will have a packaging cost of \$50.
- Semen will be sent via UPS or FedEx Overnight (next day arrival) within the United States at the rate of \$285 per shipment.
- Semen sent counter to counter airline shipments (same day arrival) are available at the rate of \$400. Availability of airline shipments depend on air cargo routes operated by airlines contracted with HPPH. (American, Southwest, Delta, United)

 Cooled Semen Contract

- All Canadian USDA shipments will be send via FedEx at the rate of \$550 which includes USDA health cert, commercial invoices, and shipping cost.
- **HPPH is NOT responsible for the COSTS arising from shipments lost, damaged or delayed in transit, or condition of cooled shipped semen upon delivery. We have no control of the shipment once it leaves our facility! _____ initial here**
- The mare owner agrees to have mare checked within 30 days of insemination and report back to HPPH with results of pregnancy. It is the mare owner’s responsibility to return a signed copy of the insemination certificate (sent in the shipment of semen) signed by administering veterinarian or breeding facility manager back to Highpoint Performance Horses. Mare owner is also responsible for DNA testing their mare as per AQHA and APHA rules.
- **MARE WILL NOT BE PUT ON BREEDING REPORT UNLESS ALL FEES HAVE BEEN PAID IN FULL, PREGNANCY STATUS AND LAST BREEDING DATE HAS BEEN PROVIDED TO HPPH.**

LIMITED LIVE FOAL GUARANTEE

- If the contracted mare dies or is deemed unfit to breed during the season she is contracted, a substitute mare, approved by the stallion owner, may be bred without any additional breeding fee for that same season. **NO REFUNDS GIVEN ON ANY FEES ASSOCIATED WITH THIS CONTRACT!!!**
- A live foal is defined as one that will stand and nurse. If foal is born dead, mare owner agrees to furnish the stallion owner, within 7 days, a certification from a licensed veterinarian that the foaling was an attended foaling and deliver a written statement from vet giving details required to substantiate the failure of the mare to produce a live foal. In such case, the mare owner will have the right to rebreed contracted mare the season following the original contract only, or substitute a different mare for the rebreeding providing that the substitute mare is of same quality and condition as the original mare approved, determined in the stallion manager’s discretion. In such a case, return privileges will be available for the season following the original contract season. All rebreeds must pay the rebreed chute fee of \$350 and any shipping charges applicable. If the mare owner fails to rebreed the following year after original contracted season, then any and all fees become forfeited, the right to rebreed is cancelled and the stallion owner is released from all further obligation of this contract, unless otherwise agreed in writing and signed by both parties.
- Any mare that is to be re-bred must have a clean/negative culture on file with HPPH before any semen will be sent. It is also recommended that the mare be put under lights no later than November 15th prior to the next breeding season and be ready in the early part of the breeding season.
- We DO NOT offer color guarantee on APHA and APHC registered mares.
- EMBRYO TRANSFERS: If more than one embryo is produced from a single flush, then the mare owner is required to sign an additional contract for the additional embryo and pay an additional stud fee of \$1250 for each additional embryo.
- If in the event something should happen to the stallion SLYE BY DESIGN where he can no longer be a standing stallion, the breeder has the option to use frozen Slye By Deisgn semen, *limit 2 inseminations of frozen semen attempts then contract is void*, with an approved repro veterinarian or facility. **The stud fees cannot be sold to anyone else.**
- All parties acknowledge that this agreement is made and performed within the County of Denton, State of Texas. Both parties agree should any dispute or claims arise regarding this contract, the venue will be in the State Court located in Denton County, Texas and shall be construed and enforced under the laws of the State of Texas. Both parties agree that at no time will any damages ever be awarded in any amount greater than the actual stud fee that was paid.

All payments may be made by check or credit card (Visa, Mastercard, American Express, Discover) and be in US funds. A 4% processing fee applies when paying with credit card on any charges. If prepaying all fees by check, simply leave credit card space blank below. All shipping and charge fees are subject to change. Payments must be made in full prior to semen being shipped.

Credit card number	exp date	cvv code	name on card
