Cooled/Frozen Semen Contract

Stallion Owner: Highpoint Horses LLC
Stallion Breeding Manager: Christi Christensen, Highpoint Performance Horses 903-816-1428
Fax: 940-365-1172 Email: Christi.highpointperformance@gmail.com
11015 Cole Road, Pilot Point, TX 76258

CUSTOMER NAME: _____

It is important that your vet has a copy of your contract to know what name the contract has been submitted in and order semen in that same name. Any wrong name orders may lead to delay in shipment.

MARE NAME: _____ Reg# _____ AQHA/APHA/ApHC/TB

I hereby agree to breed _____ to the stallion "MP SUGERAY",

AQHA#5892483 for the 2023 breeding season beginning Feb 1 and ending June 30th, 2023.

Mare owner agrees to pay the fee of **\$1500** (\$1000 stud fee plus \$500 non refundable booking/chute fee). All payments must be made payable to Highpoint Performance Horses(HPPH). **Whether this is a donated breeding or discounted breeding, the \$500 booking/chute fee is due on all contracts payable to HPPH.**

PLEASE NOTE: Cooled semen is on a first call / first serve basis so make sure you call early to be put on the list. If cooled semen is not available, then frozen semen will be sent at the stallion manager's discretion.

PRE-BREEDING ARRANGEMENTS: The mare owner must provide the following when booking a contract:

- Copy of both sides of registration certificate, if breeding a thoroughbred mare, an AQHA "T" number is mandatory for registration.
- Completed and signed breeding contract
- **Proof of current veterinary reproductive exam and normal uterine cytology and/or uterine culture for the current breeding season**
- All applicable fees:
 - I. The stud fee and shipping fee must be paid in full before any semen will be shipped
 - II. Any incomplete registration certificate or unpaid charges will result in a hold of the mare's name on the appropriate stallion breeding report.
 - III. Semen will not be shipped to any mare unless a current credit card number/expiration/cvv code are provided on this contract or shipping is **prepaid** with check or money order.

SHIPPING / ORDERING:

- Please check with the breeding farm to find out the shipping schedule for the stallion. Normal collection days are Mon, Wed, Fri. It is the mare owner's responsibility to confirm our breeding/shipping days.
- Mare owner or agent must give at least 24 hour notice of possible semen shipment to HPPH and confirm shipment by 8am central time day of collection. No guarantee will be made that cooled semen will be available on a given day. It is first call, first serve. Frozen semen is available if cooled semen is not. **TO ORDER SEMEN- call or text 903-816-1428. WE DO NOT ACCEPT EMAIL ORDERS!**
- Every effort will be made to accommodate your mare's breeding timeframe; however, it is the mare owner's responsibility to keep in touch with HPPH so that your veterinarian and ours can get your mare in foal on a timely basis. Failure to adhere to these arrangements may result in missed heats and delayed shipments at the mare owner's expense. A veterinarian knowledgeable in successful insemination techniques must oversee inseminations in order to maximize the potential of a timely pregnancy.
- Semen that is picked up from HPPH by mare owner or agent will have a packaging cost of \$50.
- Semen will be sent via UPS or FedEx Overnight (next day arrival) within the United States at the rate of \$300 per shipment.

Cooled/Frozen Semen Contract

- Semen sent counter to counter airline shipments (same day arrival) are available at the rate of \$400. Availability of airline shipments depend on air cargo routes operated by airlines contracted with HPPH. (American, Southwest, Delta, United)
- All Canadian USDA shipments will be sent via FedEx at the rate of \$550 which includes USDA health cert, commercial invoices, and shipping cost.
- **HPPH is NOT responsible for the COSTS arising from shipments lost, damaged or delayed in transit, or condition of cooled shipped semen upon delivery. We have no control of the shipment once it leaves our facility. There will be no refunds given for lost or delayed shipments _____(signature)**
- The mare owner agrees to have mare checked within 30 days of insemination and report back to HPPH with results of pregnancy. It is the mare owner's responsibility to return a signed copy of the insemination certificate (sent in the shipment of semen) signed by administering veterinarian or breeding facility manager back to Highpoint Performance Horses. Mare owner is also responsible for DNA testing their mare as per AQHA and APHA rules before a foal can be registered.
- **MARE WILL NOT BE PUT ON BREEDING REPORT UNLESS ALL FEES HAVE BEEN PAID IN FULL, PREGNANCY STATUS AND LAST BREEDING DATE HAS BEEN PROVIDED TO HPPH. Failure to do so will be at mare owner's expense.**

LIMITED LIVE FOAL GUARANTEE

- If the contracted mare dies or is deemed unfit to breed during the season she is contracted, a substitute mare, approved by the stallion owner, may be bred without any additional breeding fee for that same season. **NO REFUNDS GIVEN ON ANY FEES ASSOCIATED WITH THIS CONTRACT!!! ALL MARES SWITCHES MUST BE APPROVED AND EMAILED IN WRITING TO US AT A MINIMUM OF 24 HOURS BEFORE ANY SHIPMENT OF SEMEN IS SENT!**
- A live foal is defined as one that will stand and nurse. If foal is born dead, mare owner agrees to furnish the stallion owner, within 7 days, a certification from a licensed veterinarian that the foaling was an attended foaling and deliver a written statement from vet giving details required to substantiate the failure of the mare to produce a live foal. In such case, the mare owner will have the right to **rebreed** contracted mare **the season following the original contract ONLY, NO EXCEPTIONS!** Mare owner may substitute a different mare for the rebreeding providing that the substitute mare is of same quality and condition as the original mare approved, determined in the stallion manager's discretion. In such a case, return privileges will be available for the season following the original contract season. All rebreeds must pay the rebreed chute fee of \$350 and any shipping charges applicable.
- **If the mare owner fails to rebreed the following year after original contracted season, then any and all fees become forfeited, the right to rebreed is cancelled and the stallion owner is released from all further obligation of this contract.**
SIGNATURE REQUIRED _____

- **Any mare that is to be re-bred must have a clean/negative culture on file with HPPH before any semen will be sent. It is also recommended that the mare be put under lights no later than November 15th prior to the next breeding season and be ready in the early part of the breeding season. Our season is from Feb 1-June 30th so make sure you start early!**
- We DO NOT offer color guarantee on APHA and ApHC registered mares.
- **EMBRYO TRANSFERS:** If more than one embryo is produced from a single flush, then the mare owner is required to sign an additional contract for the additional embryo and pay an additional stud fee of \$1000 for each additional embryo regardless of the original fee contracted. _____initial here
- The stud fees are non-refundable in the event something happens to the stallion.

If breeding on a foal heat, licensed veterinarian must prepare mare before semen will be shipped.

RECOMMENDATIONS

The use of regumate can increase pregnancy rates after ovulation. Please talk with your vet about your specific mare and follow vet recommendation. Remember- it is cheaper to put on regumate and get the pregnancy and wean off the regumate later than repeat a cycle and ship again if you are unsure on progesterone history for this mare.
